RE: Francitas Post Office Status. Docket NO #A2013-4

Dear PRC;

In March, you received my appeal regarding the Postal Service's determination to close the Francitas post office and my application for suspension in Francitas, TX. My appeal and suspension was accepted and the Francitas post office was asked to remain open for 60 day from the date the notice (final determination form 2/22/13) was posted by the PRC. The post office instead closed it office on March 26, 2013 and the Francitas community since then has not been able to get their mail in Francitas. Instead, we have to drive to La Ward (almost 20 miles roundtrip) to retrieve our mail.

On April 1, in response to my appeal and suspension, the United States postal service submitted a form to "withdraw its Final Determination concerning the Francitas post office". Therefore, allowing the Francitas post office to reopen. At the moment there has been no change to our mailing status and the post office remains closed.

I ask that the PRC directs the post office directly in this matter. I called Kurtis Howell (361) 293-2231 and he was not aware of any postings. His boss, Daniel Reyes (210) 368-5551 has been non-responsive to any of my calls or the local community for that matter.

I look forward to your earliest response to this issue. Thank you for your time. It is greatly appreciated.

Sincerely,

Carolina Jalufka
